Call for teachers of English, Spanish, French, Italian and German for Summer School

organized by the Center of Modern Languages of the Ukrainian Catholic
University in Lviv

Summer school:

The summer school has been running for more than 25 years, and we have had volunteer teachers from different corners of the world. Some of them have visited us multiple times.

Date:

This year the school is going to be held **on 19 June - 1 July 2023**, and what is important is it's going to be **IN PERSON**.

We are extremely happy to invite those who are ready to share these two weeks of studying and fun. Of course, we do consider **some online formats** (a few of our volunteer teachers won't be able to come, so we are considering some lectures online).

Venue:

Outside Lviv: Briukhovyci <https://mapcarta.com/13768396>

We are looking for lecturers for the languages **English, Spanish, French, Italian and German** who could stay 2 weeks / and / or be guest speakers for certain topics.

Students:

There will be 11-14 first- or second-year bachelor students per class, mostly at B1/B1+ level, 2-3 groups of A2.

The aim of the summer school is to overcome the barrier of the target language and to boost students' speaking skills. We don't stick to any specific topic. Actually, we give freedom to our teachers to choose which topic to discuss with the students (and we assist with any resources and extra materials).

What we offer:

We cover a three-day stay before the summer school and after it (with meals), plus free accommodation, meals, and snacks during the summer school. But overall, we don't pay any fees to the teachers - it's a voluntary programme.
